We use your service address for each wireless service line to determine how we bill taxes, other governmental charges, and Verizon surcharges (which are Verizon's charges, not taxes). As of January 1, 2025, for service other than 5G Home and LTE Home (which are not subject to these charges), these charges can add between 14% and 50% to your standard monthly access and other charges, and may include a Federal Universal Service Charge (36.3% of the interstate and international telecom charges; varies quarterly based on FCC rate), Regulatory Charge (\$0.19 per voice line, \$0.02 per data-only line) and Administrative and Telco Recovery Charge (\$3.50 per voice line, \$1.60 per data-only line). Taxes, other governmental charges, and Verizon surcharges are subject to change. For more details on these charges, call 1-888-684-1888.
